

February 2026 OECA Event Information

Event Description:

The next OECA meeting will be held virtually via Zoom, February 10–12, 2026.

We will have updates from OHCS, OTI, CAPO, as well as our Affiliates.

Sessions are being planned to support both Energy Assistance and Weatherization programs.

We will also include time for the network to engage with upcoming utility policy topics.

A draft agenda is available; session topics and times are subject to change.

A final agenda will be released as soon as possible.
